Trex Company Announces Management Presentations at Investor Conferences on November 8th

- **New Investor Presentation Available on Trex Website** -

WINCHESTER, Va. — November 7, 2018 — Trex Company, Inc. (NYSE:TREX), the world's number-one brand of decking and railing and leader in high-performance, low-maintenance outdoor living products, and a leading national provider of custom-engineered railing systems, announced that its management will participate and host investor meetings at the following conferences:

- Jim Cline, President and Chief Executive Officer, will present at the **Baird's 2018 Global Industrial Conference** to be held at the Four Seasons Hotel in Chicago on Thursday, November 8th.
- Bryan Fairbanks, Executive Vice President & Chief Financial Officer, will present at the **Stephens NY Investment Conference** to be held at the Lotte New York Palace Hotel on Thursday, November 8th.

In connection with these events, the Company has posted a new investor presentation to the Investor Relations section of the Trex Company [website](#) that contains information on new product announcements made today.

About Trex Company

[Trex Company](#) is the world's largest manufacturer of high performance wood-alternative decking and railing, with more than 25 years of product experience. Stocked in more than 6,700 retail locations worldwide, Trex outdoor living products offer a wide range of style options with fewer ongoing maintenance requirements than wood, as well as a truly environmentally responsible choice. Also, Trex is a leading national provider of custom-engineered railing, staging, acoustical and seating systems for the commercial and multi-family market, including performing arts venues and sports stadiums.
