Explanation of Responses:

1. Represents 1,491 shares of common stock issued upon settlement of the exercise of 2,170 stock appreciation rights reported in Table II. The number of shares issued was determined based on the excess of the fair market value of the Issuer's common stock on the exercise date over the SAR grant price.

2. The shares were sold to satisfy tax obligations arising from the exercise of the stock appreciation rights reported herein.

3. The price reported represents the weighted average sale price. The shares were sold in multiple transactions at prices ranging from $55.825 to $55.85, inclusive. The Reporting Person undertakes to provide to the Issuer, any security holder of the Issuer, or the staff of the Securities and Exchange Commission, upon request, information regarding the number of shares sold at each separate price within the range set forth herein.

4. Represents the exercise of 2,170 stock appreciation rights. Each stock appreciation right entitled the Reporting Person, upon exercise, to receive the excess of the fair market value of one share of the Issuer's common stock on the exercise date over the SAR grant price of $17.523 per share. Based on a fair market value of $56.01 per share on the exercise date, the exercise was settled through the issuance of 1,491 shares of common stock, as reported in Table I. Following the exercise, no stock appreciation rights remain outstanding under this award.

5. Following the reported exercise, no stock appreciation rights remain outstanding under this award. The Reporting Person continues to hold stock appreciation rights under other awards previously reported.
