Trex Company Announces Executive Promotions

WINCHESTER, Va.--(BUSINESS WIRE)—July 23, 2018-- Trex Company, Inc. (NYSE:TREX), the world's number-one brand of decking and railing and leader in high-performance, low-maintenance outdoor living products, and a leading national provider of custom-engineered railing systems announced several executive promotions, which are effective today.

Bryan Fairbanks has been promoted to Executive Vice President and will retain his current title of Chief Financial Officer. In his new position, Bryan's role will be expanded to include the direct oversight and evaluation of acquisition opportunities, as well as their eventual integration. He will continue to work together with the senior management team on the development and implementation of the Company's strategic plan.

Adam Zambanini, currently Vice President, Marketing, has been promoted to President of Trex Residential Products. In his new position, Adam will have the leading role in the development and execution of the Trex Residential Products strategy as well as responsibility for the management of the senior team that drives the sales, marketing and manufacturing operations of Trex Residential Products. Working in tandem with his team and colleagues, he will continue to bring innovative thinking to our market-leading product development activities.

Leslie Adkins, currently Senior Director of Brand and Integrated Marketing, has been promoted to Vice President, Marketing. Leslie will be responsible for all marketing for Trex Company, leveraging her 9 years of experience with Trex as a senior leader driving the Company's branding and product identity campaigns as well as consumer-facing marketing programs.

Commenting on these promotions, James E. Cline, President and CEO, noted, "The success of Trex Company reflects the outstanding achievements of our entire management team. We are pleased to recognize the significant contributions of these three individuals. Their expanded leadership roles represent an executive structure positioned to drive Trex Company's further expansion in the residential and commercial markets via organic growth and acquisitions, while supporting our continued focus on maximizing economic value for the benefit of our business partners and shareholders."

About Trex Company

Trex Company is the world's largest manufacturer of high performance wood-alternative decking and railing, with more than 25 years of product experience. Stocked in more than 6,700 retail locations worldwide, Trex outdoor living products offer a wide range of style options with fewer ongoing maintenance requirements than wood, as well as a truly environmentally responsible choice. Also, Trex is a leading national provider of custom-engineered railing, staging, acoustical and seating systems for the commercial and multi-family market, including performing arts venues and sports stadiums.
