As previously reported, the Company's Board of Directors approved the foregoing amendment on March 13, 2008.

Section 2. Other Offices. The Corporation may also have offices at such other places both within and without the State of Delaware as the Board of Directors may from time to time determine or the business of the Corporation may require.

**ARTICLE II
STOCKHOLDERS MEETINGS**

Section 1. Places of Meetings. All meetings of stockholders shall be held at such place or places in or outside of the State of Delaware as shall be designated from time to time by the Board of Directors and stated in the notice of meeting or waiver of notice thereof, subject to any provisions of the laws of the State of Delaware.

Section 2. Annual Meetings. Unless otherwise determined from time to time by the Board of Directors, the annual meeting of stockholders shall be held each year for the election of directors and the transaction of such other business as may properly come before the meeting at such date and time as may be designated by the Board of Directors. Written notice of the time and place of the annual meeting shall be given by mail to each stockholder entitled to vote at such meeting, at the stockholder's address as it appears on the records of the Corporation, not less than ten (10) nor more than sixty (60) days prior to the scheduled date thereof.

Section 3. Special Meetings. A special meeting of the stockholders of the Corporation may be called at any time by the Chairman of the Board or by the Board of Directors pursuant to a resolution adopted by a majority of the total number of directors which the Corporation would have if there were no vacancies, but such special meeting may not be called by any other person or persons. Written notice of the date, time, place and specific purpose or purposes for which such

meeting is called shall be given by mail to each stockholder entitled to vote thereat at such stockholder's address as it appears on the records of the Corporation not less than ten (10) nor more than sixty (60) days prior to the scheduled date thereof. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

Section 4. Voting. At all meetings of stockholders, each stockholder entitled to vote on the record date as determined under these By-Laws or, if not so determined, as prescribed under the laws of the State of Delaware, shall be entitled to one vote for each share of stock standing on record in such stockholder's name, subject to any voting powers, restrictions or qualifications set forth in the Restated Certificate of Incorporation of the Corporation or any amendment thereto (the "Restated Certificate of Incorporation").

Section 5. Quorum; Voting. At any stockholders meeting, a majority of the voting power of the shares of stock outstanding and entitled to vote thereat, present in person or by proxy, shall constitute a quorum, but a smaller interest may adjourn any meeting from time to time, and the meeting may be held as adjourned without further notice, subject to such limitations as may be imposed under the laws of the State of Delaware. When a quorum is present at any meeting, the affirmative vote of the holders of a majority of the voting power of the shares of stock entitled to vote thereon, present in person or by proxy, shall decide any question brought before such meeting unless such question is one upon which a different vote is required by express provision of the Restated Certificate of Incorporation, these By-Laws, the rules or regulations of the New York Stock Exchange, Inc. or any law or other rule or regulation applicable to the Corporation, in which case such express provision shall govern.

Section 6. Inspectors of Election; Opening and Closing the Polls. The Board of Directors may, by resolution, appoint one or more inspectors, which inspector or inspectors may include individuals who serve the Corporation in other capacities, including, without limitation, as officers, employees, agents or representatives of the Corporation, to act at a meeting of stockholders and make a written report thereof. One or more persons may be designated as alternative inspectors to replace any inspector who fails to act. If no inspector or alternate has been appointed to act, or if all inspectors or alternates who have been appointed are unable to act at a meeting of stockholders, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall have the duties prescribed by the General Corporation Law of the State of Delaware.

The chairman of the meeting shall fix and announce at the meeting the date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at the meeting.

Section 7. List of Stockholders. At least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order and showing the address and the number of shares registered in the name of each stockholder, shall be prepared by the Secretary or the transfer agent in charge of the stock ledger of the Corporation. Such list shall be open for examination by any stockholder as required by the laws of the State of Delaware. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine such list or the books of the Corporation or to vote in person or by proxy at such meeting.

Section 8. Written Consent in Lieu of Meeting. Except as otherwise provided for or fixed pursuant to the provisions of the Restated Certificate of Incorporation relating to the rights of the holders of any series of preferred stock, no action that is required or permitted to be taken by the stockholders of the Corporation at any annual or special meeting of stockholders may be effected by written consent of stockholders in lieu of a meeting of stockholders, unless the action to be effected by written consent of the stockholders and the taking of such action by written consent have been expressly approved in advance by the Board of Directors.

Section 9. Conduct of Meetings. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the person presiding over the meeting. The Board of Directors may, to the extent not prohibited by law, adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairman of any meeting of stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may to the extent not prohibited by law include, without limitation, the following: (i) the establishment of an agenda or order of business for the meeting; (ii) rules and procedures for maintaining order at the meeting and the safety of those present; (iii) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (iv) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (v) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board of Directors or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

Section 10. Notice of Stockholder Business and Nominations.

(a) Nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders only (i) pursuant to the Corporation's notice of meeting (or any supplement thereto), (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record of the Corporation at the time the notice provided for in this Section 10 is delivered to the Secretary of the Corporation, who is entitled to vote at the meeting and who complies with the notice procedures set forth in this Section 10.

(b) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a) of this Section 10, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation, and such other business must otherwise be a proper matter for stockholder action. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth: (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; (ii) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend the By-Laws, the language of the proposed amendment), the reasons for conducting

such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (a) the name and address of such stockholder, as they appear on the Corporation's books, and of such beneficial owner, (b) the class and number of shares of capital stock of the Corporation which are owned beneficially and of record by such stockholder and such beneficial owner, (c) a representation that the stockholder is a holder of record of stock of the Corporation entitled to vote at such meeting and intends to appear, in person or by proxy, at the meeting to propose such business or nomination and (d) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends to (A) deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Corporation's outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (B) otherwise solicit proxies from stockholders in support of such proposal or nomination. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of the Corporation.

(c) Notwithstanding anything in the second sentence of paragraph (b) of this Section 10 to the contrary, in the event that the number of directors to be elected to the Board of Directors at an annual meeting is increased and there is no public announcement by the Corporation naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by this Section 10 shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary of the Corporation at the principal executive offices of the Corporation no later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(d) Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (i) by or at the direction of the Board of Directors or (ii) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who is a stockholder of record at the time the notice provided for in this Section 10 is delivered to the Secretary of the Corporation, who shall be entitled to vote at the meeting and upon such election, and who complies with the notice procedures set forth in this Section 10. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors

may nominate a person or persons (as the case may be) for election to such position or positions as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (b) of this Section 10 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting, or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(e) Except as otherwise provided by law, only such persons who are nominated in accordance with the procedures set forth in this Section 10 shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 10. Except as otherwise provided by law or the Restated Certificate of Incorporation, the chairman of the meeting shall have the power and duty to (i) determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 10 and (ii) if any proposed nomination or business is not in compliance with this Section 10 (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicits (or is part of a group which solicits), or fails to so solicit (as the case may be), proxies in support of such stockholder's proposal in compliance with such stockholder's representation as required by clause (iii)(d) of paragraph (b) of this Section 10, to declare that such defective nomination shall be disregarded or that such proposed business shall not be transacted.

(f) For purposes of this Section 10, "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act.

(g) Notwithstanding the foregoing provisions of this Section 10, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rule and regulations thereunder with respect to the matters set forth in this Section 10. Nothing in this Section 10 shall be deemed to affect any rights (i) of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act or (ii) of the holders of any series of Preferred Stock to elect directors under specified circumstances.

ARTICLE III
BOARD OF DIRECTORS

Section 1. Number and Qualification. The authorized number of directors that shall constitute the full Board of Directors of the Corporation shall be fixed from time to time as provided in the Restated Certificate of Incorporation. Directors need not be stockholders of the Corporation.

Section 2. Powers. The business and affairs of the Corporation shall be carried on by or under the direction of the Board of Directors, which shall have all the powers authorized by the laws of the State of Delaware, subject to such limitations as may be provided by the Restated Certificate of Incorporation or these By-Laws. Except as otherwise expressly provided herein or in the Restated Certificate of Incorporation, the vote of the majority of directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

The Chairman of the Board, when present, shall preside at all meetings of the stockholders and of the Board of Directors.

Section 3. Compensation. The Board of Directors may from time to time by resolution authorize the payment of fees or other compensation to the directors for services as such to the Corporation, including, but not limited to, fees for attendance at all meetings of the Board or of the executive or other committees, and determine the amount of such fees and compensation. Nothing herein contained shall be construed to preclude any director from serving the Corporation in any other capacity and receiving compensation therefor in amounts authorized or otherwise approved from time to time by the Board.

Section 4. Meetings and Quorum. Meetings of the Board of Directors may be held either in or outside of the State of Delaware. At all meetings of the Board, a majority of the then authorized number of directors shall constitute a quorum. If a quorum shall not be present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

The first meeting of the Board of Directors after the election of a new class of directors shall be held immediately after the annual meeting of stockholders and at the same place, and no notice of such meeting shall be necessary to the newly elected directors in order legally to constitute the meeting, provided a quorum shall be present. In the event such meeting is not held at such time and place, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors, or as shall be specified in a written waiver signed by all the directors.

Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by the Board. Notice of special meetings shall be given to each director on 24 hours notice to each director, either personally, by mail, telegram, facsimile, personal delivery or similar means. Special meetings may be called by the President or the Chairman of the Board of Directors and shall be called by the President or Secretary in the manner and on the notice set forth above upon the written request of a majority of the total number of directors which the Corporation would have if there were no vacancies.

Notice of any meeting shall state the time and place of such meeting, but need not state the purposes thereof unless otherwise required by the laws of the State of Delaware, the Restated Certificate of Incorporation, these By-Laws or the Board of Directors.

Section 5. Executive Committee. The Board of Directors may designate an Executive Committee to exercise, subject to applicable provisions of law, all the powers of the Board in the management of the business and affairs of the Corporation when the Board is not in session, including without limitation the power to declare dividends and to authorize the issuance of the Corporation's capital stock, and may, by resolution similarly adopted, designate one or more other committees, including such committees specified in Section 6 of this Article III. The Executive Committee shall consist of two or more directors of the Corporation. The Board may designate one or more directors as alternate members of the Executive Committee, who may replace any absent member at any meeting of the Executive Committee. The members of the Executive Committee present at any meeting, whether or not constituting a quorum, may unanimously appoint another member of the Board to act at the meeting in the place of any such absent member. The Executive Committee shall keep written minutes of its proceedings and shall report such proceedings to the Board when required.

A majority of the Executive Committee may determine its action and fix the time and place of its meetings, unless the Board shall otherwise provide. Notice of such meetings shall be given to each member of the Executive Committee in the manner provided for in Section 4 of this Article III. The Board shall have power at any time to fill vacancies in, to change the membership of, or to dissolve the Executive Committee.

Section 6. Other Committees.

(a) The Board may appoint the following standing committees, the members of which shall serve at the pleasure of the Board: a Nominating / Corporate Governance Committee, a Compensation Committee and an Audit Committee. The Board may appoint such other committees among the directors of the Corporation as it deems necessary and appropriate for the proper conduct of the

Corporation's business and may appoint such officers, agents or employees of the Corporation to assist the committees of the Board as it deems necessary and appropriate. Meetings of committees may be called by the chairman of the committee on 24 hours notice to each committee member, either personally, by mail, telegram, facsimile or similar means and shall be called by the chairman of the committee in like manner and on like notice on the written request of a committee member. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

(b) The Nominating / Corporate Governance Committee shall consist of no fewer than three members of the Board, all of whom shall meet the independence requirements of the New York Stock Exchange. The Nominating / Corporate Governance Committee shall be responsible for proposing to the Board nominees for election as directors and shall possess and may exercise such additional powers and authority as may be delegated to it by the Board from time to time. The Nominating / Corporate Governance Committee shall report its actions to the Board at the next meeting of the Board following such actions. Vacancies in the membership of the Nominating / Corporate Governance Committee shall be filled by the Board of Directors.

(c) The Compensation Committee shall consist of no fewer than three members of the Board. The members of the Compensation Committee shall meet the independence requirements of the New York Stock Exchange and any legal requirements relevant to the proper administration of the Company's executive compensation program, including requirements under the federal securities laws and the Internal Revenue Code of 1986. The Compensation Committee shall be responsible for establishing salaries, bonuses and other compensation for the executive officers of the Corporation and for administering the Corporation's benefit plans, and shall possess and may exercise such additional powers and authority as may be delegated to it by the Board from time to time. The Compensation Committee shall report its actions to the Board at the next meeting of the Board following such actions. Vacancies in the membership of the Compensation Committee shall be filled by the Board of Directors.

(d) The Audit Committee shall consist of no fewer than three members of the Board. The members of the Audit Committee shall meet the independence requirements of the New York Stock Exchange, and any legal requirements relevant to the proper administration of the Company's financial reporting. The Audit Committee shall have general oversight responsibility with respect to the Corporation's financial reporting, shall engage the independent auditors and oversee, evaluate and, where appropriate, replace the independent auditors. Any engagement of the independent auditors by the Audit Committee may be subject to stockholder approval or ratification, as determined by the Board of Directors. The Audit Committee shall review with the independent auditors the scope of their examination and other matters (relating to both audit and non-audit

activities), and review generally the internal auditing procedures of the Corporation. In undertaking the foregoing responsibilities, the Audit Committee shall have unrestricted access, if necessary, to personnel of the Corporation and documents and shall be provided with the resources and assistance necessary to discharge its responsibilities, including periodic reports from management assessing the impact of regulation, accounting, and reporting of other significant matters that may affect the Corporation. The Audit Committee shall review the financial reporting and adequacy of internal controls of the Corporation, consult with the internal auditors and certified public accountants, and from time to time, but not less than annually, report to the Board. Vacancies in the membership of the Audit Committee shall be filled by the Board of Directors.

Section 7. Conference Telephone Meetings. Any one or more members of the Board of Directors or any committee thereof may participate in meetings by means of a conference telephone or similar communications equipment and such participation in a meeting shall constitute presence in person at the meeting.

Section 8. Action Without Meetings. Any action required or permitted to be taken at any meeting of the Board of Directors or any committee thereof may be taken by unanimous written consent without a meeting to the extent and in the manner authorized by the laws of the State of Delaware.

ARTICLE IV OFFICERS

Section 1. Titles and Election. The officers of the Corporation may consist of a Chairman, a Chief Executive Officer, a President, one or more Vice Presidents (who may be designated as corporate Vice Presidents, Senior Vice Presidents, Executive Vice Presidents or Group Vice Presidents) a Secretary and a Treasurer, as appointed by the Board of Directors. The Corporation may have such additional or assistant officers as the Board of Directors may deem necessary for the Corporation's business and may appoint from time to time. The Board of Directors shall also have the authority, but shall not be required, to designate officers as the Chief Operating Officer, the Chief Financial Officer or similar such titles. Any two or more offices may be held by the same person.

The officers of the Corporation shall be appointed annually by the Board of Directors at the first meeting of the Board held after each annual meeting of the stockholders. If officers are not appointed at such meeting, such appointment shall occur as soon as possible thereafter, or may be left vacant. Each officer shall hold office until a successor shall have been appointed and qualified or until said officer's earlier death, resignation, or removal.

If a director has not been designated as Chairman, or if the designated Chairman is not present at a meeting, the Board of Directors shall elect a Chairman

from amongst its members to serve as Chairman of the Board of Directors for such meeting. The Chairman shall preside at all meetings of the Board of Directors, and shall have such other powers as the Board may determine.

Section 2. Duties. Subject to such extension, limitations, and other provisions as the Board of Directors or these By-Laws may from time to time prescribe or determine, the following officers shall have the following powers and duties:

(a) Chief Executive Officer. The Chief Executive Officer shall have general charge and supervision of the business of the Corporation, shall see that all orders, actions and resolutions of the Board of Directors are carried out, and shall have such other authority and shall perform such other duties as set forth in these By-Laws or, to the extent consistent with the By-Laws, such other authorities and duties as prescribed by the Board.

(b) Authority and Duties of Other Officers. Each officer other than the Chief Executive Officer shall have the authority and shall perform the duties prescribed by the Board of Directors, by the Chief Executive Officer, or by an officer authorized by the Board to prescribe the duties of such officer. Any designation of duties by the Chief Executive Officer or other officer shall be subject to review by the Board of Directors but shall be in full force and effect in the absence of such review.

In the absence or disability of the President, the Vice Presidents in order of seniority may, unless otherwise determined by the Board, exercise the powers and perform the duties pertaining to the office of President, except that if one or more executive Vice Presidents has been elected or appointed, the person holding such office in order of seniority shall exercise the powers and perform the duties of the office of President.

(c) Delegation of Authority. The Board of Directors may at any time delegate the powers and duties of any officer for the time being to any other officer, director or employee.

ARTICLE V RESIGNATIONS AND VACANCIES

Section 1. Resignations. Any director or officer may resign at any time by giving written notice thereof to the Board of Directors, the President or the Secretary. Any such resignation shall take effect at the time specified therein or, if the time be not specified, upon receipt thereof; and unless otherwise specified therein, the acceptance of any resignation shall not be necessary to make it effective.

Section 2. Vacancies.

(a) Directors. Except for the rights of the holders of any series of preferred stock to elect additional directors, newly created directorships resulting from any increase in the authorized number of directors and any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal, or other cause shall be filled only by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board of Directors. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the class of directors in which the new directorship was created or in which the vacancy occurred and until such director's successor is duly elected and has been qualified. The directors also may reduce the authorized number of directors by the number of vacancies on the Board. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

(b) Officers. The Board of Directors may at any time or from time to time fill any vacancy among the officers of the Corporation.

ARTICLE VI

Section 1. Certificate of Stock. Every stockholder shall be entitled to a certificate or certificates for shares of the capital stock of the Corporation in such form as may be prescribed or authorized by the Board of Directors, duly numbered and setting forth the number and kind of shares represented thereby. Such certificates shall be signed by the Chairman of the Board, the President or a Vice President and by the Treasurer or an assistant Treasurer or by the Secretary or an assistant Secretary. Any or all of such signatures may be in facsimile if and to the extent authorized under the laws of the State of Delaware. Notwithstanding the foregoing, the Board of Directors may provide by resolution that some or all of any or all classes or series of the Corporation's capital stock shall be uncertificated shares.

In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed on a certificate has ceased to be such officer, transfer agent or registrar before the certificate has been issued, such certificate may nevertheless be issued and delivered by the Corporation with the same effect as if such person were such officer, transfer agent or registrar at the date of issue.

Section 2. Transfer of Stock. Shares of the capital stock of the Corporation shall be transferable only upon the books of the Corporation upon the surrender of the certificate or certificates properly assigned and endorsed for transfer. If the Corporation has a transfer agent or agents or transfer clerk and registrar of transfers acting on its behalf, the signature of any officer or representative thereof may be in facsimile.

The Board of Directors may appoint a transfer agent and one or more co-transfer agents and a registrar and one or more co-registrars of transfer and may make or authorize the transfer agents to make all such rules and regulations deemed expedient concerning the issue, transfer and registration of shares of stock.

Section 3. Record Dates.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix in advance a record date which, in the case of a meeting, shall not be less than ten (10) nor more than sixty (60) days prior to the scheduled date of such meeting and which, in the case of any other action, shall be not more than the maximum or less than the minimum number of days prior to any such action permitted by the laws of the State of Delaware.

(b) If no such record date is fixed by the Board, the record date shall be that prescribed by the laws of the State of Delaware.

(c) A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

Section 4. Lost Certificates. In case of loss or mutilation or destruction of a stock certificate, a duplicate certificate may be issued upon such terms as may be determined or authorized by the Board of Directors or by the President if the Board does not do so.

ARTICLE VII
FISCAL YEAR, BANK DEPOSITS, CHECK, ETC.

Section 1. Fiscal Year. The fiscal year of the Corporation shall commence or end at such time as the Board of Directors may designate.

Section 2. Bank Deposits, Checks, etc. The funds of the Corporation shall be deposited in the name of the Corporation or of any division thereof in such banks or trust companies in the United States or elsewhere as may be designated from time to time by the Board of Directors, or by such officer or officers as the Board may authorize to make such designations.

All checks, drafts or other orders for the withdrawal of funds from any bank account shall be signed by such person or persons as may be designated from time to time by the Board of Directors. The signatures on checks, drafts or other orders for the withdrawal of funds may be in facsimile if authorized in the designation.

ARTICLE VIII
BOOKS AND RECORDS

Section 1. Place of Keeping Books. Unless otherwise expressly required by the laws of the State of Delaware, the books and records of the Corporation may be kept outside of the State of Delaware.

Section 2. Examination of Books. Except as may otherwise be provided by the laws of the State of Delaware, the Restated Certificate of Incorporation or these By-Laws, the Board of Directors shall have power to determine from time to time whether and to what extent and at what times and places and under what conditions any of the accounts, records and books of the Corporation are to be open to the inspection of any stockholder. No stockholder shall have any right to inspect any account or book or document of the Corporation except as prescribed by the laws of the State of Delaware or authorized by express resolution of the Board of Directors.

ARTICLE IX
NOTICES

Section 1. Requirements of Notice. Whenever notice is required to be given by the laws of the State of Delaware, the Restated Certificate of Incorporation or these By-Laws, it shall not mean personal notice unless so specified, but such notice may be given in writing by depositing the same in a post office, letter box, or mail chute postpaid and addressed to the person to whom such notice is directed at the address of such person on the records of the Corporation, and such notice shall be deemed given at the time when the same shall be thus mailed.

Section 2. Waivers. Any stockholder, director or officer may, in writing or by telegram or cable, at any time waive any notice or other formality required by statute, the Restated Certificate of Incorporation or these By-Laws. Such waiver of notice, whether given before or after any meeting or action, shall be deemed equivalent to notice. Presence of a stockholder either in person or by proxy at any stockholders meeting and presence of any director at any meeting of the Board of Directors shall constitute a waiver of such notice as may be required by any statute, the Restated Certificate of Incorporation or these By-Laws.

ARTICLE X
SEAL

The corporate seal of the Corporation shall consist of two concentric circles between which shall be the name of the Corporation and the date of its incorporation, and in the center of which shall be inscribed "Corporate Seal, Delaware."

ARTICLE XI
POWERS OF ATTORNEY

The Board of Directors may authorize one or more of the officers of the Corporation to execute powers of attorney delegating to named representatives or agents power to represent or act on behalf of the Corporation, with or without power of substitution.

In the absence of any action by the Board, the President, any Vice President, the Secretary or the Treasurer of the Corporation may execute for and on behalf of the Corporation waivers of notice of stockholders meetings and proxies for such meetings in any company in which the Corporation may hold voting securities.

ARTICLE XII
INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 1. Definitions. As used in this article, the term "person" means any past, present or future director or officer of the Corporation or any subsidiary or operating division thereof.

Section 2. Indemnification Granted. The Corporation shall indemnify, to the full extent and under the circumstances permitted by the General Corporation Law of the State of Delaware in effect from time to time, any person as defined above, made or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person is or was a director or officer of the Corporation or a subsidiary or operating division thereof, or is or was serving at the specific request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against costs, charges, expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person or on such person's behalf in connection with such action, suit or proceeding and any appeal therefrom, if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful.

Section 3. Requirements for Indemnification Relating to an Action or Suit by or in the Right of the Corporation. The Corporation shall indemnify any

person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that such person is or was a director or officer of the Corporation, or a subsidiary thereof or a designated officer of an operating division of the Corporation, or is or was serving at the specific request of the Corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, against costs, charges and expenses (including attorneys' fees) actually and reasonably incurred by such person or on such person's behalf in connection with the defense or settlement of such action or suit and any appeal therefrom, if such person acted in good faith and in a manner that such person reasonably believed to be in or not opposed to the best interest of the Corporation except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of such liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such costs, charges and expenses which the Court of Chancery or such other court shall deem proper.

Section 4. Success on Merits of Any Action. Notwithstanding any other provision of this Article XII, to the extent that a director or officer of the Corporation or any subsidiary or operating division thereof has been successful on the merits or otherwise, including, without limitation, the dismissal of an action without prejudice, in defense of any action, suit or proceeding referred to in this Article XII, or in defense of any claim, issue or matter therein, such person shall be indemnified against all costs, charges and expenses (including attorneys' fees) actually and reasonably incurred by such person or on such person's behalf in connection therewith.

Section 5. Determination of Standard of Conduct. Any indemnification under Sections 2 and 3 of this Article XII (unless ordered by a court) shall be paid by the Corporation only after a determination has been made (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders, that indemnification of the director or officer is proper in the circumstances of the specific case because such person has met the applicable standard of conduct set forth in Sections 2 and 3 of this Article XII.

Section 6. Advance Payment; Representation by Corporation. Costs, charges and expenses (including attorneys' fees) incurred by a person referred to in

Sections 2 and 3 of this Article XII in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding; provided, however, that the payment of such costs, charges and expenses incurred by a director or officer in such capacity as officer or director (and not in any other capacity and which service was or is rendered by such person while a director or officer) in advance of the final disposition of such action, suit or proceeding shall be made only upon receipt of an undertaking by or on behalf of the director or officer to repay all amounts so advanced in the event that it shall ultimately be determined that such director or officer is not entitled to be indemnified by the Corporation as authorized in this Article XII. Such costs, charges and expenses incurred by other employees and agents may be so paid upon such terms and conditions, if any, as the Board of Directors deems appropriate. The Corporation may, in the manner set forth above, and upon approval of such director or officer, authorize the Corporation's counsel to represent such person, in any action, suit or proceeding, whether or not the Corporation is a party to such action, suit or proceeding.

Section 7. Procedure for Obtaining Indemnity. Any indemnification under Sections 2, 3 and 4, or advance of costs, charges and expenses under Section 6, of this Article XII shall be made promptly, and in any event within sixty (60) days, of the written notice of the director or officer. The right to indemnification or advances as granted by this Article XII shall be enforceable by the director or officer in any court of competent jurisdiction if the Corporation denies such request, in whole or in part, or if no disposition thereof is made within sixty (60) days. Such person's costs and expenses incurred in connection with successfully establishing a right to indemnification or advancement of expenses, in whole or in part, in any action shall also be indemnified by the Corporation. It shall be a defense to any such action (other than an action brought to enforce a claim for the advance of costs, charges and expenses under Section 6 of this Article XII where the required undertaking, if any, has been received by the Corporation) that the claimant has not met the standard of conduct set forth in Section 2 or 3 of this Article XII, but the burden of proving such defense shall be on the Corporation. Neither failure of the Corporation (including its Board of Directors, a committee thereof, its independent legal counsel, and its stockholders) to have made a determination that indemnification of the claimant is proper in the circumstances because such person has met the applicable standard of conduct set forth in Section 2 or 3 of this Article XII, nor the fact that there has been an actual determination by the Corporation (including its directors, a committee thereof, its independent legal counsel and its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 8. Indemnification Not Exclusive. This right of indemnification shall not be deemed exclusive of any other rights to which a person indemnified herein may be entitled by law, agreement, vote of stockholders or

disinterested directors or otherwise, and shall continue as to a person who has ceased to be a director, officer, designated officer, employee or agent and shall inure to the benefit of the heirs, executors, administrators and other legal representatives of such person. It is not intended that the provisions of this Article XII be applicable to, and they are not to be construed as granting indemnity with respect to, matters as to which indemnification would be in contravention of the laws of Delaware or of the United States of America, whether as a matter of public policy or pursuant to statutory provision.

Section 9. Invalidity of Certain Provisions. If this Article XII or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each director, officer, employee and agent of the Corporation or any subsidiary or operating division thereof as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including any action by or in the right of the Corporation, to the full extent permitted by any applicable portion of this Article XII that shall not have been invalidated and to the full extent permitted by applicable law.

Section 10. Miscellaneous. The Board of Directors may also on behalf of the Corporation grant indemnification to any individual other than a person defined herein to such extent and in such manner as the Board in its sole discretion may from time to time and at any time determine.

ARTICLE XIII AMENDMENTS

These By-Laws may be altered, amended or repealed, and new By-Laws may be made, by the affirmative vote of a majority of the directors then in office.

Adopted by the Board of Directors on March 22, 1999, and amended on November 20, 2003, April 27, 2004, July 21, 2005, February 22, 2007 and January 8, 2008.

TREX COMPANY, INC. 2005 STOCK INCENTIVE PLAN

1. PURPOSE

The Plan is intended to enhance the Company's ability to attract and retain highly qualified officers, key employees, outside directors and other persons, and to motivate such officers, key employees, outside directors and other persons to serve the Company and its affiliates (as defined herein) and to expend maximum effort to improve the business results and earnings of the Company, by providing to such officers, key employees, outside directors and other persons an opportunity to acquire or increase a direct proprietary interest in the operations and future success of the Company. To this end, the Plan provides for the grant of stock options, restricted stock, restricted stock units, unrestricted stock and stock appreciation rights in accordance with the terms hereof. 3. ADMINISTRATION OF THE PLAN

3.1. Board

The Board shall have such powers and authorities related to the administration of the Plan as are consistent with the Company's certificate of incorporation, bylaws and applicable law. The Board shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Grant or any Award Agreement, and shall have full power and authority to take all such other actions and make all such other determinations not inconsistent with the specific terms and provisions of the Plan that the Board deems to be necessary or appropriate to the administration of the Plan, any Grant or any Award Agreement. All such actions and determinations shall be by the affirmative vote of a majority of the members of the Board present at a meeting or by unanimous consent of the Board executed in writing in accordance with the Company's certificate of incorporation, bylaws and applicable law. The interpretation and construction by the Board of any provision of the Plan, any Grant or any Award Agreement shall be final and conclusive. As permitted by law, the Board may delegate its authority under the Plan to a member of the Board or an executive officer of the Company; provided, however, that, unless otherwise provided by resolution of the Board, only the Board or the Committee may make a Grant to an executive officer of the Company and establish the number of shares of Stock that may be subject to Grants with respect to any fiscal period.

3.2. Committee.

The Board from time to time may delegate to a Committee such powers and authorities related to the administration and implementation of the Plan, as set forth in **Section 3.1** hereof and in other applicable provisions of the Plan, as the Board shall determine, consistent with the Company's certificate of incorporation, bylaws and applicable law. In the event that the Plan, any Grant or any Award Agreement provides for any action to be taken or determination to be made by the Board, such action may be taken by or such determination may be made by the Committee if the power and authority to do so has been delegated to the Committee by the Board as provided for in this **Section 3.2**. Unless otherwise expressly determined by the Board, any such action or determination by the Committee shall be final, binding and conclusive. As permitted by law, the Committee may delegate the authority delegated to it under the Plan to a member of the Board of Directors or an executive officer of the Company; provided, however, that, unless otherwise provided by the Board, only the Board or the Committee may make a Grant to a Reporting Person of the Company and establish the number of shares of Stock that may be subject to Grants during any fiscal period.

3.3. Grants.

Subject to the other terms and conditions of the Plan, the Board shall have full and final authority (i) to designate Grantees, (ii) to determine the types of Grants to be made to a Grantee, (iii) to determine the number of shares of Stock to be subject to a Grant, (iv) to establish the terms and conditions of each Grant, including, but not limited to, the Option Price of any Option, the nature and duration of any restriction or condition (or provision for lapse thereof, including lapse relating to a change in control of the Company) relating to the vesting, exercise, transfer or forfeiture of a Grant or the shares of Stock subject thereto, and any terms or conditions that may be necessary to qualify Options as Incentive Stock Options, (v) to prescribe the form of each Award Agreement evidencing a Grant, and (vi) to make Grants alone, in addition to, in tandem with, or in substitution or exchange for any other Grant or any other award granted under another plan of the Company or a Subsidiary. Such authority specifically includes the authority, in order to effectuate the purposes of the Plan but without amending the Plan, to modify Grants to eligible individuals who are foreign nationals or are individuals who are employed outside the United States to recognize differences in local law, tax policy or custom. As a

condition to any subsequent Grant, the Board shall have the right, at its discretion, to require Grantees to return to the Company any Grants previously awarded under the Plan. Subject to the terms and conditions of the Plan, any such subsequent Grant shall be upon such terms and conditions as are specified by the Board at the time the subsequent Grant is made.

The Company may retain the right in an Award Agreement to cause a forfeiture of the gain realized by a Grantee on account of actions taken by the Grantee in violation or breach of or in conflict with any non-competition agreement, any agreement prohibiting solicitation of employees or clients of the Company or any affiliate thereof or any confidentiality obligation with respect to the Company or any affiliate thereof or otherwise in competition with the Company, to the extent specified in such Award Agreement applicable to the Grantee. Furthermore, the Company may annul a Grant if the Grantee is an employee of the Company or an affiliate thereof and is terminated "for cause" as defined in the applicable Award Agreement. The Board may permit or require the deferral of any award payment, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or dividend equivalents, including converting such credits into deferred Stock equivalents.

Without the approval of the stockholders of the Company, no amendment or modification may be made to an outstanding Option or SAR which reduces the Option Price or SAR grant price, either by lowering the Option Price or SAR grant price or by canceling the outstanding Option or SAR and granting a replacement Option or SAR with a lower Option Price or SAR grant price, as the case may be, provided, that, appropriate adjustments may be made to outstanding Options and SARs pursuant to **Section 16** hereof.

3.4. No Liability.

No member of the Board or of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Grant or Award Agreement.

3.5. Applicability of Rule 16b-3.

Those provisions of the Plan that make express reference to Rule 16b-3 under the Exchange Act shall apply only to Reporting Persons.

3.6. Termination of Employment or Other Relationship.

(i) Whether a termination of a Grantee's employment or other relationship with the Company and its Subsidiaries shall have occurred and whether such termination is by reason of "permanent and total disability" (within the meaning of Section 22(c)(3) of the Code) shall be determined by the Board, whose determination shall be final and conclusive.

(ii) Whether a leave of absence or leave on military or government service shall constitute a termination of employment or other relationship for purposes of the Plan shall be determined by the Board, whose determination shall be final and conclusive.

(iii) For purposes of the Plan, a termination of employment or other relationship shall not be deemed to occur if the Grantee is immediately thereafter employed with the Company, a Subsidiary or a Service Provider, or is engaged as a Service Provider or an Outside Director.

4. STOCK SUBJECT TO THE PLAN

4.1. Aggregate Limitation.

(i) Subject to adjustment as provided in **Section 16** hereof, the aggregate number of shares of Stock available for issuance under the Plan pursuant to Options or other Grants shall be three million one hundred and fifty thousand (3,150,000) Shares. Shares may be authorized but unissued shares, treasury shares or issued and outstanding shares that are purchased in the open market.

(ii) Any shares of Stock granted under the Plan which are forfeited to the Company because of the failure to meet an award contingency or condition shall again be available for issuance pursuant to new awards granted under the Plan. Any shares of Stock covered by an award (or portion of an award) granted under the Plan which is forfeited or canceled, expires or is settled in cash shall be deemed not to have been issued for purposes of determining the maximum number of shares of Stock available for issuance under the Plan.

(iii) If any Option is exercised by tendering shares of Stock, by withholding shares of Stock subject to the Option being exercised, by tendering or withholding shares of Stock, either actually or by attestation, to the Company as full or partial payment in connection with the exercise of an Option or a stock option under any prior plan of the Company as hereinabove described, only the number of shares of Stock issued net of the shares of Stock tendered or withheld shall be deemed issued for purposes of determining the maximum number of shares of Stock available for issuance under the Plan. In the case of a SAR, only the actual number of shares of Stock issued upon exercise of the SAR shall be deemed issued for purposes of determining the maximum number of shares of Stock available for issuance under the Plan. Shares of Stock issued under the Plan through the settlement, assumption or substitution of outstanding awards or obligations to grant future awards resulting from the acquisition of another entity shall not reduce the maximum number of shares available for issuance under the Plan.

(iv) The number of shares of Stock reserved under this **Section 4** shall be increased by the number of any shares of Stock that are repurchased by the Company with Option Proceeds (as defined herein) in respect of the exercise of an Option; provided, however, that the number of shares of Stock contributed to the number of shares of Stock reserved under this **Section 4** in respect of the use of Option Proceeds for repurchase shall not be greater than the number obtained by dividing the amount of such Option Proceeds by the Fair Market Value on the date of exercise of the applicable Option. "Option Proceeds" means, with respect to an Option, the sum of (x) the Option Price paid in cash, if any, to purchase shares of Stock under such Option, plus (y) the value of all federal, state and local tax deductions to which the Company is entitled with respect to the exercise of such Option, determined using the highest Federal tax rate applicable to corporations and a blended tax rate for state and local taxes based on the jurisdictions in which the Company does business and giving effect to the deduction of state and local taxes for Federal tax purposes.

(v) The number of shares of Stock available for grant as incentive stock options shall not exceed three million one hundred and fifty thousand (3,150,000), subject to adjustment as provided in **Section 16** hereof, and shall not be increased by reason of the application of subsection (iii) or (iv) of this **Section 4.1**.

4.2. Application of Aggregate Limitation.

The Board may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of shares of Stock actually delivered differs from the number of shares of Stock previously counted in connection with a Grant.

4.3. Per-Grantee Limitation.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act:

(i) no person eligible for a Grant under **Section 6** hereof may be awarded Options and SARs under the Plan exercisable for greater than one hundred and fifty thousand (150,000) shares of Stock in any single calendar year, except that in the case of a newly hired employee, such limit shall be three hundred thousand (300,000) shares of Stock (in each case, subject to adjustment as provided in **Section 16** hereof); and

(ii) the maximum number of shares of Restricted Stock or Unrestricted Stock that are earned based on achievement of performance objectives that may be awarded under the Plan (including for this purpose any shares of Stock represented by Restricted Stock Units) to any person eligible for a Grant under **Section 11** hereof is seventy five thousand (75,000) shares of Stock in any single calendar year, except that in the case of a newly hired employee, such limit shall be one hundred and fifty thousand (150,000) shares of Stock (in each case, subject to adjustment as provided in **Section 16** hereof).

5. EFFECTIVE DATE AND TERM OF THE PLAN

5.1. Effective Date.

The Plan prior to its amendment and restatement herein was originally effective as of the Effective Date. The Plan as herein amended and restated was approved by the Board on March 8, 2005 and shall be effective as of date the Plan is approved by the Company's stockholders. If the stockholders of the Company fail to approve the Plan as herein amended and restated within one year after the date the Plan as herein amended and restated was approved by the Board, any Awards made hereunder in excess of the number of shares available for Awards under the Plan prior to its amendment and restatement shall be null and void and of no effect, and the applicable terms of the Plan shall be the terms in effect immediately prior to the Plan's amendment and restatement. The amendment and restatement of the Plan shall have no effect on Grants made under the Plan prior to the Amendment and Restatement Date.

5.2. Term.

The Plan shall expire on the tenth anniversary of the Amendment and Restatement Date.

6. PERMISSIBLE GRANTEES

6.1. Employees and Service Providers.

Subject to the provisions of **Section 6.3** hereof, Grants may be made under the Plan to any employee of the Company or any Subsidiary, including any such employee who is an officer or director of the Company, to an Outside Director, to a Service Provider or employee of a Service Provider providing, or who has provided, services to the Company or any Subsidiary, and to any other individual whose participation in the Plan is determined by the Board to be in the best interests of the Company, as the Board shall determine and designate from time to time.

6.2. Multiple Grants.

An eligible person may receive more than one Grant, subject to such restrictions as are provided herein.

6.3. LIMITATIONS ON GRANTS OF INCENTIVE STOCK OPTIONS

An Option shall constitute an Incentive Stock Option only (i) if the Grantee of such Option is an employee of the Company or any Subsidiary of the Company; (ii) to the extent specifically provided in the related Award Agreement; and (iii) to the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Stock with respect to which all Incentive Stock Options held by such Grantee become exercisable for the first time during any calendar year (under the Plan and all other plans of the Grantee's employer and its affiliates) does not exceed \$100,000. This limitation shall be applied by taking Options into account in the order in which they were granted.

7. AWARD AGREEMENT

Each Grant pursuant to the Plan shall be evidenced by an Award Agreement, in such form or forms as the Board shall from time to time determine. Award Agreements issued from time to time or at the same time need

not contain similar provisions but shall be consistent with the terms of the Plan. Each Award Agreement evidencing a Grant of Options shall specify whether such Options are intended to be non-qualified stock options or Incentive Stock Options, and in the absence of such specification such options shall be deemed non-qualified stock options.

8. OPTIONS

8.1. Option Price.

The Option Price of each Option shall be no less than the Fair Market Value of a share of Stock on the date of grant and stated in the Award Agreement evidencing such Option; provided, however, that in the event that a Grantee would otherwise be ineligible to receive an Incentive Stock Option by reason of the provisions of Sections 422(b)(6) and 424(d) of the Code (relating to ownership of more than ten percent (10%) of the Company's outstanding shares of Stock), the Option Price of an Option granted to such Grantee that is intended to be an Incentive Stock Option shall be not less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the Grant Date. In no case shall the Option Price of any Option be less than the par value of a share of Stock.

8.2. Vesting.

Subject to **Sections 8.3 and 16** hereof, each Option granted under the Plan shall become exercisable at such times and under such conditions as shall be determined by the Board and stated in the Award Agreement, provided, however, that subject to earlier vesting as otherwise provided herein, the vesting period shall be a minimum of three (3) years. For purposes of this **Section 8.2**, fractional numbers of shares of Stock subject to an Option shall be rounded down to the next nearest whole number.

8.3. Option Term.

Each Option granted under the Plan shall terminate, and all rights to purchase shares of Stock thereunder shall cease, upon the expiration of ten years (eleven years if the Grantee shall terminate employment or other service due to death in the tenth year of the Option term) from the date such Option is granted, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Board and thereafter stated in the Award Agreement relating to such Option; provided, however, that in the event that the Grantee would otherwise be ineligible to receive an Incentive Stock Option by reason of the provisions of Sections 422(b)(6) and 424(d) of the Code (relating to ownership of more than ten percent (10%) of the outstanding shares of Stock), an Option granted to such Grantee that is intended to be an Incentive Stock Option shall not be exercisable after the expiration of five years from its date of grant.

8.4. Termination of Employment or Other Relationship for a Reason Other than Retirement, Death or Disability.

Unless otherwise provided by the Board, upon the termination of a Grantee's employment or other relationship with the Company and its Subsidiaries other than by reason of death, "permanent and total disability" (within the meaning of Section 22(e)(3) of the Code) or Retirement, any Option or portion thereof held by such Grantee that has not vested in accordance with the provisions of **Section 8.2** hereof shall terminate immediately, and any Option or portion thereof that has vested in accordance with the provisions of **Section 8.2** hereof but has not been exercised shall terminate at the close of business on the 90th day following the Grantee's termination of employment or other relationship (or, if such 90th day is a Saturday, Sunday or holiday, at the close of business on the next preceding day that is not a Saturday, Sunday or holiday). Upon termination of an Option or portion thereof, the Grantee shall have no further right to purchase shares of Stock pursuant to such Option or portion thereof.

8.5. Rights in the Event of Death.

Unless otherwise provided by the Board, if a Grantee dies while employed by or providing services to the Company or its Subsidiaries, all Options granted to such Grantee that have not previously terminated shall fully vest on the date of death, and the executors or administrators or legatees or distributees of such Grantee's estate shall have the right, at any time within five years after the date of such Grantee's death and prior to termination of the Option pursuant to **Section 8.3** hereof, to exercise any Option held by such Grantee at the date of such Grantee's death.

8.6. Rights in the Event of Disability.

Unless otherwise provided by the Board, if a Grantee's employment or other relationship with the Company or its Subsidiaries is terminated by reason of the "permanent and total disability" (within the meaning of Section 22(e)(3) of the Code) of such Grantee, such Grantee's Options that have not previously terminated shall fully vest, and shall be exercisable for a period of five years after such termination of employment or other relationship, subject to earlier termination of the Option as provided in **Section 8.3** hereof.

8.7. Rights in the Event of Retirement.

Unless otherwise provided by the Board, if a Grantee's employment or other relationship with the Company is terminated by reason of the Grantee's Retirement, all Options granted to such Grantee that have not previously terminated shall fully vest on the date of Retirement, and the Grantee shall have the right, at any time within five years after the date of such Grantee's Retirement and prior to termination of the Option pursuant to **Section 8.3** hereof, to exercise any Option held by such Grantee at the date of such Grantee's Retirement.

8.8. Limitations on Exercise of Option.

Notwithstanding any other provision of the Plan, in no event may any Option be exercised, in whole or in part, prior to the date the Plan is approved by the stockholders of the Company as provided herein, or after ten years following the date upon which the Option is granted (except as provided in **Section 8.3** hereof in the case of death of the Grantee), or after the occurrence of an event referred to in **Section 16** hereof which results in termination of the Option.

8.9. Method of Exercise.

An Option that is exercisable may be exercised by the Grantee's delivery to the Company of written notice of exercise on any business day, at the Company's principal office, addressed to the attention of the Board. Such notice shall specify the number of shares of Stock with respect to which the Option is being exercised and shall be accompanied by payment in full of the Option Price of the shares of Stock for which the Option is being exercised. The minimum number of shares of Stock with respect to which an Option may be exercised, in whole or in part, at any time shall be the lesser of (i) 100 shares or such lesser number set forth in the applicable Award Agreement and (ii) the maximum number of shares of Stock available for purchase under the Option at the time of exercise. Payment of the Option Price for the shares of Stock purchased pursuant to the exercise of an Option shall be made (i) in cash or in cash equivalents acceptable to the Company; (ii) to the extent permitted by law and at the Board's discretion, through the actual or constructive tender to the Company of shares of Stock, which shares of Stock, if acquired from the Company, shall have been held for at least six months prior to such tender if necessary to avoid negative accounting treatment (or such shorter period as the Board may approve) and which shall be valued, for purposes of determining the extent to which the Option Price has been paid thereby, at their Fair Market Value on the date of exercise; or (iii) to the extent permitted by law and at the Board's discretion, by a combination of the methods described in clauses (i) and (ii) or any other method permitted by law that is approved by the Board. An attempt to exercise any Option granted hereunder other than as set forth above shall be invalid and of no force and effect.

8.10. Rights as a Stockholder; Dividend Equivalents.

Unless otherwise stated in the applicable Award Agreement, an individual holding or exercising an Option shall have none of the rights of a stockholder (for example, the right to receive cash or dividend payments or distributions attributable to the subject shares of Stock or to direct the voting of the subject shares of Stock) until the shares of Stock covered thereby are fully paid and issued to such individual. Except as provided in **Section 16** hereof, no adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such issuance. However, the Board may, on such conditions as it deems appropriate, provide that a Grantee will receive a benefit in lieu of cash dividends that would have been payable on any or all shares of Stock subject to the Grant if such shares of Stock had been outstanding. Without limitation, the Board may provide for payment to the Grantee of amounts representing such dividends, either currently or in the future, or for the investment of such amounts on behalf of the Grantee.

8.11. Delivery of Stock Certificates.

Promptly after the exercise of an Option by a Grantee and the payment in full of the Option Price, such Grantee shall be entitled to the issuance of a Stock certificate or certificates evidencing such Grantee's ownership of the shares of Stock subject to the Option. Notwithstanding any other provision of this Plan to the contrary, the Company may elect to satisfy any requirement under this Plan for the delivery of stock certificates through the use of book-entry.

9. STOCK APPRECIATION RIGHTS

9.1. SAR Price.

A SAR shall confer on the Grantee a right to receive, upon exercise thereof, the excess of (x) the Fair Market Value of one share of Stock on the date of exercise over (y) the grant price of the SAR, as determined by the Board. The grant price of a SAR shall not be less than the Fair Market Value of a share of Stock on the Grant Date.

9.2. Vesting, and Terms and Conditions Governing SARs.

The Board shall determine the time or times at which and the circumstances under which a SAR may be exercised in whole or in part (including exercise based on achievement of performance objectives or future service requirements), the time or times at which and the circumstances under which a SAR shall cease to be exercisable, the method of exercise, the method of settlement, the form of consideration payable in settlement, whether or not a SAR shall be in tandem or in combination with any other Grant, and any other terms and conditions of any SAR provided, however, that subject to earlier vesting as otherwise provided herein, the vesting period shall be minimum of three (3) years.

9.3. SAR Term

Each SAR granted under the Plan shall terminate upon the expiration of ten years (eleven years if the Grantee shall terminate employment or other service due to death in the tenth year of the SAR term) from the date such SAR is granted, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Board and thereafter stated in the Award Agreement relating to such SAR.

9.4. Termination of Employment or Other Relationship for a Reason Other than Retirement, Death or Disability.

Unless otherwise provided by the Board, upon the termination of a Grantee's employment or other relationship with the Company and its Subsidiaries other than by reason of death, "permanent and total disability" (within the meaning of Section 22(e)(3) of the Code) or Retirement, any SAR or portion thereof held by such Grantee that has not vested shall terminate immediately, and any SAR or portion thereof that has vested

but has not been exercised shall terminate at the close of business on the 90th day following the Grantee's termination of employment or other relationship (or, if such 90th day is a Saturday, Sunday or holiday, at the close of business on the next preceding day that is not a Saturday, Sunday or holiday).

9.5. Rights in the Event of Death.

Unless otherwise provided by the Board, if a Grantee dies while employed by or providing services to the Company or its Subsidiaries, all SARs granted to such Grantee that have not previously terminated shall fully vest on the date of death, and the executors or administrators or legatees or distributees of such Grantee's estate shall have the right, at any time within five years after the date of such Grantee's death and prior to termination of the SAR pursuant to **Section 9.2** hereof, to exercise any SAR held by such Grantee at the date of such Grantee's death.

9.6. Rights in the Event of Disability.

Unless otherwise provided by the Board, if a Grantee's employment or other relationship with the Company is terminated by reason of the "permanent and total disability" (within the meaning of Section 22(e)(3) of the Code) of such Grantee, such Grantee's SARs that have not previously terminated shall fully vest, and shall be exercisable for a period of five years after such termination of employment or other relationship, subject to earlier termination of the SAR as provided in **Section 9.2** hereof. Whether a termination of employment or other relationship is considered to be by reason of "permanent and total disability" for purposes of the Plan shall be determined by the Board, whose determination shall be final and conclusive.

9.7. Rights in the Event of Retirement.

Unless otherwise provided by the Board, if a Grantee's employment or other relationship with the Company or its Subsidiaries is terminated by reason of the Grantee's Retirement, all SARs granted to such Grantee that have not previously terminated shall fully vest on the date of Retirement, and the Grantee shall have the right, at any time within five years after the date of such Grantee's Retirement and prior to termination of the SAR pursuant to **Section 9.2** hereof, to exercise any SAR held by such Grantee at the date of such Grantee's Retirement.

9.8. Limitations on Exercise of SAR.

Notwithstanding any other provision of the Plan, in no event may any SAR be exercised, in whole or in part, prior to the date the Plan is approved by the stockholders of the Company as provided herein, or after ten years following the date upon which the SAR is granted (except as provided in **Section 9.3** hereof in the case of death of the Grantee), or after the occurrence of an event referred to in **Section 16** hereof which results in termination of the SAR.

10. TRANSFERABILITY OF OPTIONS AND SARs

10.1. General Rule

Except as provided in **Section 10.2** hereof, during the lifetime of a Grantee, only the Grantee (or, in the event of legal incapacity or incompetency, the Grantee's guardian or legal representative) may exercise a SAR or Option. Except as provided in **Section 10.2** hereof, no Option or SAR shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution.

10.2. Family Transfers.

To the extent permitted by the Board and under such rules and conditions as may be imposed by the Board, a Grantee may transfer all or part of an Option that is not an Incentive Stock Option or a SAR to (i) any Immediate Family Member, (ii) a trust or trusts for the exclusive benefit of any Immediate Family Member or

(iii) a partnership or limited liability company in which Immediate Family Members are the only partners or members, provided that (x) there may be no consideration for any such transfer, and (y) subsequent transfers of transferred Options or SARs or transfers of an interest in a trust, partnership, or limited liability company to which an Option or SAR has been transferred are prohibited except those in accordance with this **Section 10.2** or by will or the laws of descent and distribution. Following such transfer, any such Option or SAR shall continue to be subject to the same terms and conditions as were applicable immediately prior to the transfer, provided that, for purposes of this **Section 10.2**, the term “Grantee” shall be deemed to refer to the transferee. The events of termination of employment or other relationship referred to in **Section 8.4** and **Section 9.4** hereof shall continue to be applied with respect to the original Grantee, following which the Option or SAR shall be exercisable by the transferee only to the extent and for the periods specified in **Section 8.4, 8.5, 8.6** or **8.7** hereof in the case of Options and **Section 9.4, 9.5, 9.6** or **9.7** hereof in the case of SARs.

11. RESTRICTED STOCK

11.1. Grant of Restricted Stock or Restricted Stock Units.

The Board from time to time may grant Restricted Stock or Restricted Stock Units to persons eligible to receive Grants under **Section 6** hereof, subject to such restrictions, conditions and other terms as the Board may determine.

11.2. Restrictions.

At the time a Grant of Restricted Stock or Restricted Stock Units is made, the Board shall establish a period of time (the “Restricted Period”) applicable to such Restricted Stock or Restricted Stock Units. Unless the Grant is being made in consideration of compensation due under another plan, or unless vesting is subject to performance, the Restricted Period will be a minimum of three years (subject to the accelerated vesting provisions of **Section 16** hereof). Each Grant of Restricted Stock or Restricted Stock Units may be subject to a different Restricted Period. At the time a Grant of Restricted Stock or Restricted Stock Units is made, the Board may, in its sole discretion, prescribe restrictions in addition to or other than the expiration of the Restricted Period, including the satisfaction of corporate or individual performance objectives, which may be applicable to all or any portion of the Restricted Stock or Restricted Stock Units. Such performance objectives shall be established in writing by the Board by not later than the 90th day of the period of service to which such performance objectives relate and while the outcome is substantially uncertain. Performance objectives may be stated either on an absolute or relative basis and may be based on any of the following criteria: earnings per share, total stockholder return, operating earnings, growth in assets, return on equity, return on capital, market share, stock price, net income, cash flow, sales growth (in general, by type of product and by type of customer), retained earnings, completion of acquisitions, completion of divestitures and asset sales, cost or expense reductions, introduction or conversion of product brands, achievement of specified management information systems objectives, and any combination of the foregoing performance objectives (e.g., cash flow return on capital), provided that the performance period may be no less than one year. Performance objectives may include positive results, maintaining the status quo or limiting economic losses. Neither Restricted Stock nor Restricted Stock Units may be sold, transferred, assigned, pledged or otherwise encumbered or disposed of during the Restricted Period or prior to the satisfaction of any other restrictions prescribed by the Board with respect to such Restricted Stock or Restricted Stock Units.

11.3. Restricted Stock Certificates.

The Company shall issue, in the name of each Grantee to whom Restricted Stock has been granted, Stock certificates representing the total number of shares of Restricted Stock granted to the Grantee, as soon as reasonably practicable after the Grant Date. The Board may provide in an Award Agreement that either (i) the Secretary of the Company shall hold such certificates for the Grantee’s benefit until such time as the Restricted Stock is forfeited to the Company or the restrictions lapse, or (ii) such certificates shall be delivered to the

Grantee, provided, however, that such certificates shall bear a legend or legends complying with the applicable securities laws and regulations and making appropriate reference to the restrictions imposed under the Plan and the Award Agreement.

11.4. Rights of Holders of Restricted Stock.

Unless the Board otherwise provides in an Award Agreement, holders of Restricted Stock shall have the right to vote such shares of Stock and the right to receive any dividends declared or paid with respect to such shares of Stock. The Board may provide that any dividends paid on Restricted Stock must be reinvested in shares of Stock, which may or may not be subject to the same vesting conditions and restrictions applicable to such Restricted Stock. All distributions, if any, received by a Grantee with respect to Restricted Stock as a result of any stock split, stock dividend, combination of shares or other similar transaction shall be subject to the restrictions applicable to the original Grant.

11.5. Rights of Holders of Restricted Stock Units.

Unless the Board otherwise provides in an Award Agreement, holders of Restricted Stock Units shall have no rights as stockholders of the Company. The Board may provide in an Award Agreement evidencing a Grant of Restricted Stock Units that the holder of such Restricted Stock Units shall be entitled to receive, upon the Company's payment of a cash dividend on its outstanding shares of Stock, a cash payment for each Restricted Stock Unit held equal to the per-share dividend paid on the shares of Stock. Such Award Agreement may also provide that such cash payment will be deemed reinvested in additional Restricted Stock Units at a price per unit equal to the Fair Market Value of a share on the date that such dividend is paid.

11.6. Termination of Employment or Other Relationship for a Reason Other than Death, Disability or Retirement.

Unless otherwise provided by the Board, upon the termination of a Grantee's employment or other relationship with the Company and its Subsidiaries, in either case other than, in the case of individuals, by reason of death, "permanent and total disability" (within the meaning of Section 22(e)(3) of the Code), or Retirement, any Restricted Stock or Restricted Stock Units held by such Grantee that have not vested, or with respect to which all applicable restrictions and conditions have not lapsed, shall immediately be deemed forfeited. Upon forfeiture of Restricted Stock or Restricted Stock Units, the Grantee shall have no further rights with respect to such Grant, including, but not limited to, any right to vote Restricted Stock or any right to receive dividends with respect to Restricted Stock or Restricted Stock Units.

11.7. Rights in the Event of Death.

Unless otherwise provided by the Board, if a Grantee dies while employed by the Company or its Subsidiaries or while serving as a Service Provider, all Restricted Stock or Restricted Stock Units granted to such Grantee shall, if vesting is based solely on continued service, fully vest on the date of death, or if vesting is based in whole or part on performance, shall be immediately forfeited to the extent not yet vested. Upon such vesting, the shares of Stock represented thereby shall be deliverable in accordance with the terms of the Plan to the executors, administrators, legatees or distributees of the Grantee's estate.

11.8. Rights in the Event of Disability.

Unless otherwise provided by the Board, if a Grantee's employment or other relationship with the Company or its Subsidiaries or a Service Provider, or service as a Service Provider, is terminated by reason of the "permanent and total disability" (within the meaning of Section 22(e)(3) of the Code) of such Grantee, such Grantee's then unvested Restricted Stock or Restricted Stock Units shall, if vesting is based solely on continued service, fully vest and be paid on the date of termination, or if vesting is based in whole or part on performance, shall be immediately forfeited to the extent not yet vested.

11.9. Rights in the Event of Retirement.

Unless otherwise provided by the Board, if a Grantee's employment with the Company or its Subsidiaries is terminated by reason of Retirement, all Restricted Stock or Restricted Stock Units granted to such Grantee shall, if vesting is based solely on continued service, fully vest and be paid on the date of termination, or if vesting is based in whole or part on performance, shall be immediately forfeited to the extent not yet vested.

11.10. Delivery of Shares and Payment Therefor.

Upon the expiration or termination of the Restricted Period and the satisfaction of any other conditions prescribed by the Board, the restrictions applicable to Restricted Stock or Restricted Stock Units shall lapse, and, unless otherwise provided in the Award Agreement, upon payment by the Grantee to the Company, in cash or by check, of the greater of (i) the aggregate par value of the shares of Stock represented by such Restricted Stock or Restricted Stock Units or (ii) the purchase price, if any, specified in the Award Agreement relating to such Restricted Stock or Restricted Stock Units, a certificate for such shares shall be delivered, free of all such restrictions, to the Grantee or the Grantee's beneficiary or estate, as the case may be.

12. UNRESTRICTED STOCK

The Board may, in its sole discretion, grant Stock (or sell Stock at par value or such other higher purchase price determined by the Board) free of restrictions other than those required under federal or state securities laws ("Unrestricted Stock") to persons eligible to receive grants under **Section 6** hereof. Unrestricted Stock may be granted or sold as described in the preceding sentence in respect of past services or other valid consideration in lieu of any cash compensation due to such Grantee, or in satisfaction of a performance share award payable in Stock and earned based on the satisfaction of one or more of the performance objectives enumerated in **Section 11.2** hereof with respect to Restricted Stock and Restricted Stock Units.

13. PARACHUTE LIMITATIONS

If the Grantee is a "disqualified individual" (as defined in Section 280G(c) of the Code), any Option, Restricted Stock, Restricted Stock Unit or SAR and any other right to receive any payment or benefit under the Plan shall not vest or become exercisable (i) to the extent that the right to vest or any other right to any payment or benefit, taking into account all other rights, payments or benefits to or for the Grantee, would cause any payment or benefit to the Grantee under the Plan to be considered a "parachute payment" within the meaning of Section 280G(b)(2) of the Code as then in effect (a "Parachute Payment") and (ii) if, as a result of receiving a Parachute Payment, the aggregate after-tax amounts received by the Grantee from the Company under any Award Agreements, the Plan, and all other rights, payments or benefits to or for the Grantee would be less than the maximum after-tax amount that could be received by the Grantee without causing the payment or benefit to be considered a Parachute Payment. In the event that, but for the provisions of this **Section 13**, the Grantee would be considered to have received a Parachute Payment under any Award Agreements that would have the effect of decreasing the after-tax amount received by the Grantee as described in clause (ii) of the preceding sentence, then the Grantee shall have the right, in the Grantee's sole discretion, to designate any rights, payments or benefits under any Award Agreements, the Plan, any other agreements and any benefit arrangements to be reduced or eliminated so as to avoid having the payment or benefit to the Grantee under any Award Agreements be deemed to be a Parachute Payment. The Award Agreement, or any agreement entered into by the Grantee with the Company before or after the date of grant, may provide for different treatment of Grants than is set forth in this **Section 13** in the event that the Grantee is a disqualified individual.

14. REQUIREMENTS OF LAW

14.1. General.

The Company shall not be required to sell or issue any shares of Stock under any Grant if the sale or issuance of such shares of Stock would constitute a violation by the Grantee, any other person exercising a right

emanating from such Grant, or the Company of any provision of any law or regulation of any governmental authority, including, without limitation, any federal or state securities laws or regulations. If at any time the Company shall determine, in its discretion, that the listing, registration or qualification of any shares of Stock subject to a Grant upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of shares of Stock hereunder, no shares of Stock may be issued or sold to the Grantee or any other person exercising a right emanating from such Grant unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company, and any delay caused thereby shall in no way affect the date of termination of the Grant. Without limiting the generality of the foregoing, upon the exercise of any Option or any SAR that may be settled in shares of Stock or the delivery of any Restricted Stock or shares of Stock underlying Restricted Stock Units, unless a registration statement under the Securities Act is in effect with respect to the shares of Stock covered by such Grant, the Company shall not be required to sell or issue such shares of Stock unless the Board has received evidence satisfactory to it that the Grantee or any other person exercising a right emanating from such Grant may acquire such shares of Stock pursuant to an exemption from registration under the Securities Act. Any such determination by the Board shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Option or a SAR or the issuance of shares of Stock pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option (or SAR that may be settled in shares of Stock) shall not be exercisable until the shares of Stock covered by such Option (or SAR) are registered or are exempt from registration, the exercise of such Option (or SAR) under circumstances in which the laws of such jurisdiction apply shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

14.2. Rule 16b-3.

During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Grants pursuant to the Plan and the exercise of Options and SARs granted hereunder will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board does not comply with the requirements of Rule 16b-3, such provision or action shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may exercise its discretion to modify the Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

15. AMENDMENT AND TERMINATION OF THE PLAN

The Board may, at any time and from time to time, amend, suspend or terminate the Plan as to any shares of Stock as to which Grants have not been made; provided, that, any amendment that materially increases the benefits available under the Plan or which is required to be submitted for stockholder approval by applicable law, rule or regulation (including, without limitation, rules of the NYSE) shall be adopted subject to stockholder approval. Except as permitted under this **Section 15** or **Section 16** hereof, no amendment, suspension or termination of the Plan shall, without the consent of the Grantee, alter or impair rights or obligations under any Grant theretofore awarded under the Plan.

16. EFFECT OF CHANGES IN CAPITALIZATION

16.1. Changes in Stock.

Subject to **Section 16.2** hereof, in the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, stock dividend, spin-off, split-up, share combination or other change in the corporate structure of the Company affecting the shares of Stock, (a) such adjustment shall be made in the number and class of shares which may be delivered under **Section 4** hereof and the Grant limits under **Section 4** hereof, and in the

number and class of or price of shares subject to outstanding Grants as may be determined to be appropriate and equitable by the Board, in its sole discretion, to prevent dilution or enlargement of existing rights; and (b) the Board or, if another legal entity assumes the obligations of the Company hereunder, the board of directors, compensation committee or similar body of such other legal entity shall either (i) make appropriate provision for the protection of outstanding Grants by the substitution on an equitable basis of appropriate equity interests or awards similar to the Grants, provided that the substitution neither enlarges nor diminishes the value and rights under the Grants, or (ii) upon written notice to the Grantees, provide that Grants shall be exercised distributed, canceled or exchanged for value pursuant to such terms and conditions (including the waiver of any existing terms or conditions) as shall be specified in the notice. Any adjustment of an Incentive Stock Option under this **Section 16.1** shall be made in such a manner so as not to constitute a “modification” within the meaning of Section 424(h)(3) of the Code. The conversion of any convertible securities of the Company shall not be treated as a change in the corporate structure of the Company affecting the shares of Stock. Subject to any contrary language in an Award Agreement evidencing a Grant of Restricted Stock, any restrictions applicable to such Restricted Stock shall apply as well to any replacement shares received by the Grantee as a result of the merger, reorganization or other transaction referred to in this **Section 16.1**.

16.2. Reorganization, Sale of Assets or Sale of Stock.

Upon the dissolution or liquidation of the Company or upon a merger, consolidation or reorganization of the Company with one or more other entities in which the Company is not the surviving entity, or upon a sale of substantially all of the assets of the Company to another entity, or upon any transaction (including, without limitation, a merger or reorganization in which the Company is the surviving entity) approved by the Board that results in any person or entity (or person or entities acting as a group or otherwise in concert) owning eighty percent (80%) or more of the combined voting power of all classes of securities of the Company, (i) all outstanding Restricted Stock and Restricted Stock Units shall be deemed to have vested, and all restrictions and conditions applicable to such Restricted Stock and Restricted Stock Units shall be deemed to have lapsed, immediately prior to the occurrence of such transaction, and (ii) all Options and SARs outstanding hereunder shall become immediately exercisable for a period of fifteen days immediately prior to the scheduled consummation of such transaction. Any exercise of an Option or SAR during such fifteen-day period shall be conditioned upon the consummation of the transaction and shall be effective only immediately before the consummation of the transaction.

This **Section 16.2** shall not apply to any transaction to the extent that (A) provision is made in writing in connection with such transaction for the continuation of the Plan or the assumption of the Options, SARs, Restricted Stock and Restricted Stock Units theretofore granted, or for the substitution for such Options, SARs, Restricted Stock and Restricted Stock Units of new options, stock appreciation rights, restricted stock and restricted stock units covering the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kinds of shares or units and exercise prices, in which event the Plan and Options, SARs, Restricted Stock and Restricted Stock Units theretofore granted shall continue in the manner and under the terms so provided or (B) a majority of the full Board determines that such transaction shall not trigger application of the provisions of this **Section 16.2** and limited by any “change in control” provision in any employment agreement or Award Agreement applicable to the Grantee. Upon consummation of any such transaction, the Plan and all outstanding but unexercised Options and SARs shall terminate, except to the extent provision is made in writing in connection with such transaction for the continuation of the Plan or the assumption of such Options and SARs theretofore granted, or for the substitution for such Options and SARs of new options and stock appreciation rights covering the shares of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kinds of shares or units and exercise prices, in which event the Plan and Options and SARs theretofore granted shall continue in the manner and under the terms so provided. The Board shall send written notice of an event that will result in such a termination to all individuals who hold Options and SARs not later than the time at which the Company gives notice thereof to its stockholders.

16.3. Adjustments.

Adjustments under this **Section 16** related to shares of Stock or securities of the Company shall be made by the Board, whose determination in that respect shall be final and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share.

16.4. No Limitations on Company.

The making of Grants pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

17. DISCLAIMER OF RIGHTS

No provision in the Plan or in any Grant or Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any affiliate thereof, or to interfere in any way with any contractual or other right or authority of the Company or Service Provider either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company or any affiliate thereof. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement or employment agreement, no Grant awarded under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a director, officer, consultant or employee of the Company. The obligation of the Company to pay any benefits pursuant to the Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Company to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any participant or beneficiary under the terms of the Plan. No Grantee shall have any of the rights of a stockholder with respect to the shares of Stock subject to an Option or SAR except to the extent such shares of Stock shall have been issued upon the exercise of the Option or SAR.

18. NONEXCLUSIVITY OF THE PLAN

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals) as the Board in its discretion determines desirable, including, without limitation, the granting of Stock options otherwise than under the Plan.

19. WITHHOLDING TAXES

The Company or a Subsidiary, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any federal, state or local taxes of any kind required by law to be withheld with respect to the vesting of or other lapse of restrictions applicable to Restricted Stock or Restricted Stock Units or upon the exercise of an Option or SAR or the grant of Unrestricted Stock. At the time of such vesting, lapse or exercise, the Grantee shall pay to the Company or the Subsidiary, as the case may be, any amount that the Company or the Subsidiary may reasonably determine to be necessary to satisfy such withholding obligation. Subject to the prior approval of the Company or the Subsidiary, which may be withheld by the Company or the Subsidiary, as the case may be, in its sole discretion, the Grantee may elect to satisfy such obligations, in whole or in part, (i) by causing the Company or the Subsidiary to withhold shares of Stock otherwise issuable to the Grantee or (ii) by delivering to the Company or the Subsidiary shares of Stock already owned by the Grantee. The shares of Stock so delivered or withheld shall have an aggregate Fair Market Value equal to such

withholding obligations. The Fair Market Value of the shares of Stock used to satisfy such withholding obligation shall be determined by the Company or the Subsidiary as of the date that the amount of tax to be withheld is to be determined. A Grantee who has made an election pursuant to this **Section 19** may satisfy such Grantee's withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirement.

20. CAPTIONS

The use of captions in the Plan or any Award Agreement is for convenience of reference only and shall not affect the meaning of any provision of the Plan or such Award Agreement.

21. OTHER PROVISIONS

Each Grant awarded under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Board, in its sole discretion.

22. NUMBER AND GENDER

With respect to words used in this Plan, the singular form shall include the plural form and, the masculine gender shall include the feminine gender, as the context requires.

23. SEVERABILITY

If any provision of the Plan or any Award Agreement shall be finally determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

24. GOVERNING LAW

The validity and construction of this Plan and the instruments evidencing the Grants awarded hereunder shall be governed by the laws of the State of Delaware (without giving effect to the choice of law provisions thereof).

25. SECTION 409A

To the extent that the Board determines that a Grantee would be subject to the additional 20% tax imposed on certain deferred compensation arrangements pursuant to Section 409A of Code as a result of any provision of any Grant, such provision shall be deemed amended to the minimum extent necessary to avoid application of such additional tax. The Board shall determine the nature and scope of any such amendment.
