## About Trex Company

[Trex Company](#) is the world's largest manufacturer of high performance wood-alternative decking and railing, with more than 25 years of product experience. Stocked in more than 6,700 retail locations worldwide, Trex outdoor living products offer a wide range of style options with fewer ongoing maintenance requirements than wood, as well as a truly environmentally responsible choice. Also, Trex is a leading national provider of custom-engineered railing systems, which target commercial and high-rise applications, and one of the leading suppliers of staging equipment for performing arts, sports, and event production and rental markets.
